

In order for LOUMC to continue to participate in the Kroger Community Rewards program it is essential that all Kroger Plus cards be registered or re-registered on line. As of May 1, 2010 only properly enrolled cards will earn rewards from your purchases at Kroger. Each individual reward card will have to be registered by April 30, 2011 to continue receiving rewards uninterrupted. (Registration is on-going and can be completed at any time.) Please have your reward card available for verification when you log on to the www.krogercommunityrewards.com website. You will be asked to select "Michigan". At that point select "enroll" if your card was not registered through the on-line site last year, or "re-enroll" if you registered your card on line in the past. You will be asked to verify your personal information and, once again, select Lake Orion United Methodist Church as the beneficiary of your shopping. Our organization number is 82927. Once you have completed the form you will be asked to go to your e-mail to verify your selection. Please follow the instructions and check "your account". At that point it should verify your selection of LOUMC. Please, if you have questions, call or e-mail Sharon Keener – 248-814-9143, (skeener9143@comcast.net) or Trudy Carney – 348-693-2558, (trudycarney@aol.com).

If by chance you are aware of someone who shops at Kroger and does not have access to a computer or an e-mail address, please assist them or direct them to Sharon or Trudy who will set up a Gmail e-mail address and an account with Kroger.

Our goal is to have 100% participation in this program to continue reaping the benefits provided by Kroger's generosity. Please follow up with Sharon if you have luck (good or bad) with this process.

Thank you so much for taking the time to participate for the benefit of LOUMC.
